

Remarks

Applicants have amended the claims to correct obvious administrative errors in the claims to place the application in condition for allowance. Applicants have canceled the claims to the non-elected inventions and previously withdrawn from consideration. Applicants hereby reserve the right to file one or more divisional applications to claim non-elected subject matter.

Applicants gratefully acknowledge the Examiner's statement that the elected invention is allowable if the obvious administrative errors are corrected. Additionally, Applicants gratefully acknowledge the rejoinder of Claim 61 directed to the method of using the allowable genus of compounds of Claim 1.

Concluding Remarks

Applicants request entry of the amendments to place the application in condition for allowance. Applicants have canceled withdrawn subject matter to place the application in condition for allowance, but reserve the right to file one or more divisional applications to claim the non-elected subject matter.

If a telephone interview would be of assistance in advancing the prosecution of the application, Applicant's undersigned attorney invites the Examiner to telephone her at the number provided.

Respectfully submitted,
